LEARN TO DIVE TODAY!

Your first step into the exciting world of scuba diving begins with earning your Open Water Certification. This entry-level course is designed to provide you with the basic knowledge and skills to safely gain experience in the diving environment, and will prepare you for more advanced training.

The Open Water Certification course consists of classroom and pool instruction, plus four open water dives. Upon completion of this course you will receive your official and internationally recognized PADI (Professional Association of Diving Instructors) Open Water Certification. PADI sets the standards in the global diving community.
